

# CHEMICAL PEEL

## Aftercare Instructions

1

### Wash

Anti-inflammatory, antimicrobial cleanser promotes healing & treats itch

Keep refrigerated for best results

### Mist

Avène thermal water spray as needed for pain & moisture (optional)

4

2

### Vaseline

To eyes & lips constantly

### Avoid Sun

Stay indoors for 2 weeks, meticulous sunscreen thereafter

5

3

### Cicalfate

Avène healing ointment to entire face for healing & moisture

### Repeat

Three to ten times daily to keep skin clean and moist at all times

6

*Pro Tip!*  
Use a cool mist humidifier at bedtime for faster healing
